

ALEX CASTRO

TENANT ONBOARDING COORDINATOR

Ocala Office

I started my journey with Suncoast Property Management as a temporary leasing agent, focusing on leasing Saddle Wood Springs, expanding my experience across many of our other properties. Through hard work, dedication, and a passion for helping people, I transitioned into a full-time role where I now help convert prospective, guide applicants through the approval process, and support our acquisitions department.

What I bring to Suncoast is a commitment to building strong relationships, creating a positive experience for every applicant, and helping our team achieve its goals. I enjoy finding solutions, keeping the leasing process moving efficiently, and stepping in wherever I'm needed to support our residents, our properties, and our continued growth.

Suncoast has truly been a blessing, giving me the opportunity to grow both personally and professionally. I'm always looking to expand my knowledge, take on new challenges, and continue growing within the company. My goal is to make a lasting impact by delivering exceptional service, supporting our team's success, and helping more people find a place they're proud to call home.
