

DEVAN HODGE

OPERATIONS COORDINATOR

Jacksonville Office

I joined SunCoast Property Management in 2023 as an Operations Coordinator, where I support the day-to-day operations that help keep our team running efficiently. I enjoy creating organized processes, improving workflows, and finding solutions that make both internal operations and the client experience as seamless as possible. In my role, I work closely with multiple departments to coordinate projects, manage administrative processes, and ensure tasks are completed accurately and on time.

I take pride in being detail-oriented, dependable, and proactive, always looking for ways to improve efficiency while providing exceptional support to my team. What I enjoy most about my work is the opportunity to solve problems, build effective systems, and contribute to an environment where both my coworkers and our investors can succeed.

I believe that strong communication, organization, and a positive attitude are the foundation of great operations, and I strive to bring those qualities to everything I do.
