

DIANE ZUKOWSKI

PORTFOLIO MANAGER

SWFL Office

As a Property Manager, my focus is simple: making sure your home runs smoothly and you feel supported every step of the way. I believe clear, consistent communication makes all the difference, so you can always expect timely updates and straightforward answers, no confusion, no runaround.

I take a proactive approach to maintenance and day-to-day operations, working to resolve issues quickly and prevent them whenever possible.

Whether it's coordinating repairs, answering questions, or helping navigate something unexpected, I'm here to make the process as easy and stress-free as I can.

To me, this isn't just about managing a property, it's about creating a place you feel comfortable calling home. My goal is to provide a positive experience, with responsive support, fair communication, and a reliable point of contact you can count on.
