

JULIE PALUMNO

CUSTOMER EXPERIENCE COORDINATOR

Jacksonville Office

With over a decade of hands-on experience in multifamily housing, ranging from new construction and established communities to military housing at NAS Jacksonville, I've spent my career deeply rooted in property operations.

In my current role as Customer Experience Coordinator, I channel that background into something I truly care about: building genuine connections and making things as seamless as possible for our investors. Whether I'm guiding someone through onboarding, managing portfolio transfers, or simply helping connect the dots, my goal is always to make people feel supported and heard. I joined the Suncoast family because I'm passionate about continuous growth and delivering an exceptional experience along the way.

Originally from CA, I bring that same warm, grounded energy into my personal life. Outside of work, you'll find me exploring nature trails, enjoying a full moon on the beach, and cherishing quality time with family and friends.
