RAYVEN LABBIE

CLOSING COORDINATOR

Jacksonville Office

With three years of experience in real estate closings, I am passionate about helping clients navigate one of life's biggest milestones with confidence and ease. Whether you're purchasing your first home, investing in real estate, finding your retirement home, or expanding your portfolio, I strive to provide a calm, steady presence throughout the closing process.

Born and raised in Jacksonville, I returned home after attending college in Florida's panhandle and now live here with my husband and our two young children. I truly enjoy working with all types of homebuyers and am grateful for the opportunity to be part of such an important moment in their lives. Thank you for trusting me—I look forward to partnering with you!
