

RICHARD DAVENPORT *PORTFOLIO MANAGER*

Jacksonville Office

Richard Davenport is a hands-on portfolio manager with over 17 years of experience in multifamily housing, known for building strong communities and delivering results that matter to both residents and owners.

Based in Jacksonville, he has led large and multi-site portfolios with a focus on keeping communities full, residents happy, and operations running smoothly.

Richard takes pride in developing high-performing teams, improving leasing performance, and creating a welcoming, service-first environment. Whether it's boosting retention, fine-tuning leasing strategies, or solving day-to-day challenges, he brings a practical, people-focused approach that drives consistent success.
