

SHANNON LILLARD

PORTFOLIO MANAGER

Jacksonville Office

My name is Shannon, and I bring over 20 years of experience in both residential and commercial property management.

Throughout my career, I've worked closely with residents, property owners, vendors, maintenance teams, and insurance partners, managing the many moving pieces that keep operations running smoothly.

I'm passionate about creating a positive rental experience by providing clear communication, thoughtful support, and a practical, solutions-focused approach. Whether I'm answering questions, resolving concerns, or keeping day-to-day operations on track, my goal is to be helpful, approachable, and easy to work with.

Outside of work, I enjoy gardening and spending quality time with my family.
