

SHERI ROBERTS

PORTFOLIO MANAGER

SWFL Office

With nearly two decades in property management, I've built my career on professionalism, adaptability, and a genuine passion for creating spaces people are proud to call home. What began as an interest in housing and community development has grown into a role centered on organization, problem-solving, and relationship-building. I believe success in this field goes beyond maintaining properties, it's about fostering trust and ensuring residents and homeowners feel heard and valued.

Originally from Michigan, I bring a strong work ethic rooted in honesty, dedication, and resilience. These values continue to guide my approach and shape how I navigate challenges. I pride myself on balancing professionalism with a personable, engaging style, building strong connections with tenants, owners, vendors, and colleagues.

Outside of work, I enjoy design, gardening, and spending time as a proud grandmother of three, roles that reflect the same care, patience, and sense of home I bring to my work.
