

TIFFANY ROSOARIO

SENIOR APPLICATION COORDINATOR

Jacksonville Office

My name is Tiffany, and I've been with Suncoast for a little over three years. During that time, I've had the opportunity to grow from an Applications Coordinator into my current role as Senior Applications Coordinator. I enjoy working closely with prospective tenants, guiding them through the approval process and coordinating move-ins while ensuring every step aligns with company policies.

Throughout my time at Suncoast, I've helped implement new approval processes that have streamlined our workflow, created a smoother transition from prospective tenant to resident, and assisted with the expansion of the Applications Approvals Department as our team and workload have grown. I take pride in providing a positive experience, staying organized in a fast-paced environment, and finding ways to improve efficiency for both our team and the residents we serve.
